

★ Dear Friend of Ball & Socket ★

★ Our wish for you, your family and neighbors ★

is to create a gathering place of reclaimed beauty and vitality in Cheshire.

A thriving destination to ride your bicycle, meet a friend and let your children explore.

A community space, where you can experience art, music and a wide variety of cultural programming.

A place for both simple food and elegant dining. A place to grab a coffee or ice cream.

A place where non-profit leaders can meet and sow the seeds of change.

An incubator where small businesses and artists have a place to develop their visions.

★ Our wish for our hometown is to create three acres of wonder and to do it together. ★

Please help us to ensure the first phase of Ball & Socket Arts is ready to open this fall.

On our journey, we have met so many wonderful neighbors who are joining together to make
Ball & Socket Arts a reality.

We have worked diligently with our government leaders to rid the soil of industrial waste,
and remove lead paint and asbestos. We have been designated a Connecticut Historical Site and
our buildings will be restored to their unique splendor full of light and life.

★ We are asking you to join us in creating a place for all of Cheshire to enjoy. ★

A place rich with history and full of potential.

Please consider a tax-deductible, monetary gift to help support us through this very important year.

Any donation, large or small, will help us to realize our dream for Cheshire.

Together we will open the first phase of Ball & Socket Arts
and celebrate the successful start of a remarkable transformation.

Warmest Holiday Wishes,

Kevin, Jeffrey and Ilona
