

Advance NYC Announces: Pro Bono Virtual “Office Hours”

The non-profit sector is facing unprecedented headwinds in the face of the personal, organizational and financial challenges connected to COVID-19. We believe in the resilience and creativity of our community and are committed to supporting organizations across the City as they navigate this time.

Therefore, we have decided to offer weekly pro bono virtual “office hours,” hosted on Zoom. These hour-long sessions will be led by an Advance NYC Senior Team member and provide a chance for us to explore fundraising topics in an informal and collaborative setting.

JOIN US

We invite clients and friends in the field to submit advance questions regarding specific organizational challenges and opportunities and/or topics of broad concern. We expect that we will be able to answer and discuss 4-6 topics per session.

Whether you have a specific question in mind, we welcome you to join us for conversation and inspiration.
