

POWERFUL VOICES

because strong girls* become strong women

2017 Year in Review

Our mission is to create brave spaces with girls* of color to take charge of their own power as leaders, igniting their abilities to confidently express themselves, build community, and act against injustices affecting their lives.

**those who identify or socialize as a girl*

46

12-19 year olds were supported through our **case management** program that provides young people with tools and skills to advocate for their own well-being and to navigate complex systems such as education, housing, and juvenile justice

44

12-14 year olds participated in our **Powerful Choices** school-based program and **Girls Rising** summer program where they learned about healthy relationships and explored the intersections of their identities through a social justice lens

28

14-19 year olds participated in our **Employment** programs that are paid social justice programs that focus on building employment skills while creating a mix of art-based projects and opportunities to facilitate their learnings to our community
