# Nine Days of Grace Novena 2018

How do I desire the day's grace in my own life at this time? *Ask for the grace.*

What stirred in my heart or stays with me from today or yesterday?

What healing or forgiveness do I ask from God – for myself, for someone else, for the world?

How might I respond in action to the grace in my life?

*Ask God to open your eyes to see God's face in your experience.*

**God, have mercy on me  
in the blindness  
in which I hope I am seeking You!**
