UpReach Therapeutic Equestrian Center, Inc. is providing a hands on training program to prepare students for employment.

PROGRAM OVERVIEW

This 20-week program aligns with the Workforce Innovation and Opportunity Act’s focus on transition services related to Work-Based Learning, Workplace Readiness, and Self-Advocacy—and will provide students with skills related to animal care in a therapeutic setting. The skills covered in this course are transferable to animal and non-animal care careers and will benefit students in any employment opportunity.

WHAT SKILLS WILL STUDENTS LEARN?

- Equine safety
- Daily routine care
- Emergency care
- Facility maintenance
- Professionalism and personal accountability
- Communication
- Interpersonal skills and teamwork
- Integrity
- Initiative
- Dependability and reliability
- Lifelong learning
- Critical and analytical thinking
EVALUATION AND ASSESSMENT

• Students will be assessed by the instructor and evaluated regarding hard and soft skills. Students will receive support from skilled worksite instructor(s).

• Each of the 20 weeks focuses on a specific skill or skill review. Time to practice skills is built into each week of the program for review.

• Formal evaluations of hard and soft skills will be completed throughout the program. Upon completion of the course, a competency summary is provided to the student.

FEES AND SCHEDULE

• $1,000 for the 20-week program
• 2 days per week for 2 hours per day
• Mornings from 9:30 – 11:30 am
