

East Winter Garden Master Plan

Public Design Charrette | July 10-14, 2017

Charrette Kick-Off Event & Hands-On Design Session

Monday, July 10 | 6:30 pm - 9:00 pm
Maxey Community Center | 830 Klondike Ave

Join us for an informative presentation on town planning & community revitalization. Following the presentation, work alongside your neighbors to draw your vision for the future of East Winter Garden!

This is a family-friendly event - bring your children!
Refreshments will be provided.

Open Design Studio

Tuesday, July 11 - Thursday, July 13 | 10:00 am - 4:30 pm
Maxey Community Center | 830 Klondike Ave

Stop by the studio to talk with the design team and provide input as the plan evolves. This will be a unique opportunity to provide feedback as the initial plan ideas are being developed.

Work-in-Progress Presentation

Friday, July 14 | 6:00 pm - 8:00 pm
Maxey Community Center | 830 Klondike Ave

See all of the work completed during the Charrette week at the "wrap-up" presentation.
Neighborhood BBQ will be provided.

COME HELP PLAN YOUR COMMUNITY !!

What is a Public Design Charrette?

Public Design Charrettes bring all stakeholders to the table over a short, focused period of time to work intensively with the design team to reach consensus over the future evolution of a place. The Charrette is rapid, intensive, and includes a series of creative work sessions between the public and the design team to produce a draft plan for the future. The Charrette is product-oriented.

Why should you participate?

Participating in the Charrette will give you a chance to express your vision for the future of East Winter Garden.

Your participation will make the difference between a good plan and a great plan.
