OUR MISSION

To intervene with love and hope in the lives of Iraqi children who are vulnerable to abuse, neglect, and exploitation by extremists, criminals, and human traffickers.

OUR VISION

To ensure all children in Iraq have a voice, and are empowered to reach their full potential.
OUR MISSION

APPROACH

OUR PHILOSOPHY
We focus on sustainability and empowerment through local capacity building.

HOW WE IMPLEMENT
Our ‘hand-up not hand-out’ approach prioritizes partnering with local Iraqi organizations for service delivery. We respect local leadership, build lasting relationships, and invest in training and capacity building.

WHAT THIS ACHIEVES
We work with our partners to mobilize resources for education, health, protection and trauma care, and to give children a voice.
OUR IMPACT: THE HOPE BUSES

Our eye-catching “Hope Buses” are ordinary, used buses that are converted into colorful, child-friendly classrooms. Each bus has two teachers and a social worker, and serves approximately 50 orphans and street kids with tutoring, nutrition, health care, social services, practical life lessons, community, and fun.

Case study: Zainab* lives near Hope Bus 1. She is paralyzed and cannot walk. Zainab sent one of the Hope Bus kids to tell the staff about her situation. Our team visited her and found that Zainab never leaves the house because she has no wheelchair. Our team immediately purchased a wheelchair for Zainab and she was registered at the Hope Bus the next day. Now, the other Hope Bus children help Zainab come to the Hope Bus and go home.

OUR 2019 ACHIEVEMENTS:

• 106 children are regularly attending Hope Bus 1 & 2 (82 more children are currently unable to attend due to capacity limits.
• 27,560 nutritious meals provided to students on the bus.
• 100% of children on the bus now have their legal documents (supported by our Street Lawyers team).
• 90% of children regularly attending the Hope Bus programs are no longer working.
OUR IMPACT: BAGHDAD STREET LAWYERS

Our lawyers provide legal protection for children who are targeted by criminals and traffickers, abused by employers, or are facing other risks. They also help children obtain critical legal documents so that they can access benefits and attend school.

Case study: Yasir* (17) was arrested with his uncle on organ trafficking charges, after being deceived into going to Erbil; his uncle told him the trip was for a job, but actually an arrangement had been made with traffickers to take Yasir’s kidney and sell it. Our lawyers worked with the courts to charge the uncle and drop charges against Yasir, and to reunite the boy with his family.

OUR 2019 ACHIEVEMENTS:

- **Legal protection:** 447 legal representation cases have been completed (and an additional 45 are ongoing), for cases including stealing, vagrancy, prostitution, protesting, drugs etc.
- **Legal documents:** Street Lawyers helped 335 children obtain legal documents required to enroll in school and access government benefits.
- **Total completed legal cases:** 782
- **50% expansion of Street Lawyers team**
OUR IMPACT:
SOCIAL SERVICES

Social workers on our Street Lawyers team strive to end child labor and get children off the streets. They also work to stop domestic abuse, provide medical care, and help get access to psychosocial services for children with mental health issues.

Case study: Amina* (6) was found sleeping in a dump in very bad condition, and was found by medical staff to have been raped repeatedly by 3 adults. Our team referred Amina to a shelter for victims of human trafficking, where she receives ongoing psychological support from our social workers.

OUR 2019 ACHIEVEMENTS:

- Social workers served 259 children with clothing, medical attention, family mediation, and abuse prevention.
- Social workers also assisted young people with finding employment after incarceration, or to support family.

Saluting ICF’s Donors and Supporters
THANK YOU TO OUR DONORS AND SUPPORTERS!

Our donors and supporters provide life-changing help for Iraqi children. Our biggest annual event, the "In Their Shoes 5K", is an opportunity for friends of ICF to come together to raise awareness and dollars.

We raised **USD 175,000** this year (100% to kids in Iraq), up from USD $59,000 last year.

Last year we had 12 teams, this year we had **22 teams**.

This year we had more post-race activities for kids, as well as Iraqi food and music.

We had more corporate support than ever before, and a **65% increase** in corporate contributions.

We also had our biggest year in terms of **media coverage**.

This year we had a **16% increase** in the total number of runners over last year.
