Elevating Biological Performance to it's Highest Levels

When taken by itself, **Essential Vita Rx™** provides maximum nutrition.

Essential Vita Rx™ also provides strong synergistic support when used in combination with **aeoon™** Ingestible Growth Hormone.

New Standard for Excellence

At **AARL**, our business and passion is life performance and longevity enhancement, not just selling vitamins. There is no better natural multiple vitamin formula available than **Essential Vita Rx™**.

Nutritional Power

Excellent for both men and women, **Essential Vita Rx™** is more than just another "super high potency" multiple vitamin, and firmly establishes the Gold Standard by which all other multi-nutrient complexes are compared. Others may claim to have higher potencies, or some may claim more of this or that isolated nutrient, but none can deliver the balanced and complete nutritional power that **Essential Vita Rx™** can.

Need for Supplementation

Our food supplies today are not what they once were and stresses from our lifestyles and living environments are extremely nutrient depleting. An overwhelming body of scientific evidence also shows that multi-nutrient supplementation optimizes health. However, most multi-nutrient products are deficient when it comes to objective analysis of nutrient potency, purity, completeness and absorbability. These crucial factors determine the ultimate benefit you derive from a nutritional supplement.

High Performance Sports Fuel

Provided in capsule form for convenience, **Essential Vita Rx™** is high performance fuel for your personal metabolic machine.

Even though **Essential Vita Rx™** was not designed specifically for athletes, it has been used with solid success in all areas of sports performance and is used by world-class competitors in their driving quest to be their best.

Extending Biological Limits

Enhancing immunity and offsetting the onset of premature cellular damage, **Essential Vita Rx™** provides your body with the premium cellular fuel it needs to run like a champion for the rest of your life.

When **Essential Vita Rx™** is utilized in combination with our exceptional Growth Hormone products such as **aeon™**, their synergistic effects multiply your youth promoting efforts, so you look better, feel better and perform better!
