

SUGGESTIONS TO MAXIMIZE THE BENEFITS OF ANTIAGING THERAPY WITH ESSENTIAL VITA RX

Suggested Usage: As a dietary supplement for adults, take two (2) capsules twice daily with meals, or as recommended by your healthcare Professional.

Please note:

As with virtually all vitamin – mineral supplements, it is important that **Essential Vita Rx** be taken with food/meals. Vitamins are known as catalysts (substances that enable chemical reactions and promote significant metabolic changes/actions) and require food material in order to do their work. Therefore, it's essential that **Essential Vita Rx** be taken at least with a small snack if not a regular meal so that it can effectively stimulate the health and youth promoting actions within you.

When taken simply by itself, **Essential Vita Rx** provides maximum AntiAging nutrition; however, **Essential Vita Rx** supplies a strong synergistic action when used with our **AEON HGH**. Their synergistic effects multiply your youth promoting efforts, so you'll **look better, feel better** and **perform better!**

High Performance

And, even though **Essential Vita Rx** was not designed specifically for **athletes**, it has been used with such solid success in all areas of sports performance that it has become a trusted partner by World-class competitors in their driving quest to be their best.

Nutritional Power

Anything but just another so-called "super high potency" multiple vitamin, **Essential Vita Rx** *firmly establishes the Gold standard* by which all other multi-nutrient complexes are compared. Others may claim to have higher potencies, or some may claim more of this or that isolated nutrient, *but none can deliver the balanced and complete nutritional power that you can feel like Essential Vita Rx can!*

Please follow our [Suggested Usage Directions](#) for **Essential Vita Rx** as well as all of our outstanding longevity enhancing supplements, and you'll be on your way to successful anti aging and a special health freedom that only a few are privileged to experience.

Remember; please take two (2) **Essential Vita Rx** capsules twice daily for superior health and longevity!
