

JOB TITLE: App Developer

ANTICIPATED START DATE: June 15 2018

LOCATION: Guelph, Ontario

Meal Exchange is looking for a passionate, motivated and organized student to join us as our Trick or Eat App Developer. This exciting position will contribute to the national student food movement through the creation of an application for Meal Exchange's largest fundraising event, [Trick or Eat](#).

About Meal Exchange

Meal Exchange is a national registered charity that empowers post-secondary students to take an active role in improving their local food system. Through research, educational activities and connecting with campus and community stakeholders, our programs support post-secondary students to build more just and sustainable food systems on campuses and with local communities.

Our vision is a country where everyone has access to affordable, healthy, sustainable and socially just food. Our national office, based in Toronto, provides support, resources and mentorship to students on 40 campuses across Canada.

JOB DESCRIPTION:

The **Meal Exchange App Developer** will work with the Meal Exchange national network and their campus community to develop an app to assist with volunteer recruitment and management. The Meal Exchange App Developer will finalize prototyping of the Trick or Eat web and mobile applications for a launch during the 2018 campaign at the University of Guelph. Students will connect with a variety of stakeholders on campus and from across Canada.

Job Roles:

- Finalize app prototypes including, but not limited to, developing and testing participant and administrator use cases (e.g. create an event/account/team, manage routes, generate reports), developing an AODA compliant web and mobile user interface, and testing algorithms that assign teams to routes
- Support the final implementation at Trick or Eat 2018
- Provide Institutional Memory and Summary of App for future development

Desired Skills:

- Knowledge of web and mobile user interfaces
- Knowledge of food systems
- Highly organized, motivated and detail-oriented
- Able to work both independently and collaborate with others
- Strong oral and written communication
- Ability to manage volunteers
- Excellent interpersonal and organizational skills
- Openness to new perspectives and desire to do solutions-focused work with a diverse group of stakeholders
- Previous experience with event organizing (not required)

MEAL EXCHANGE

HOURS:

- 35 hours/week for 8-12 weeks [dependent on Service Canada funding]

WAGE:

- \$14.00/hour

Please send a combined document of your Cover Letter and CV to summer@mealexchange.com with the subject [App Developer and First and Last Name] by 5pm on April 20

This position is funded through Canada Summer Jobs. Canada Summer Jobs provides funding create summer job opportunities for young people aged 15 to 30 years who are full-time students intending to return to their studies in the next school year.

Meal Exchange is committed to having a team that reflects the diversity of the issues and communities we work with. We welcome the wide range of experiences and viewpoints that researchers may bring, including those based on race, ethnicity, sexual orientation, gender identity and expression, ability, age and religion. We welcome both lived and academic experience, and encourage applicants to note this in their application. In our inclusive workplace, we work to assure everyone the right of equitable, fair, and respectful treatment.
