United States: 330,891 cases
(Reference: MN Department of Health, CDC)

Your Questions Answered

1. Can I self-test for COVID-19 at home? The state is providing home test kits for people who have symptoms such as fever, cough, or difficulty breathing. If you have symptoms, please contact your healthcare provider or RHCP at (507) 293-2215. If you test positive, you will be contacted by public health officials.

2. Can I get tested for COVID-19? MNsure, the state’s new online tool, is available to help you schedule a test. Alternatively, you can call RHCP for an appointment at (507) 293-2215. Locations are listed on the RHCP website.

Stay Home, Stay Safe, Stay Healthy.
