THE FISHER FAMILY

"Declare his glory among the heathen,
his wonders among all people."

TO SOUTHEAST ALASKA

Dear Friends,

What a privilege to write our first prayer letter! There is no greater joy and honor than to serve Jesus Christ with our whole lives. Reality has set in at the Fisher residence. We have always heard of missionaries packing up, selling what they had, and going on deputation. It's a completely different experience when it's you! In the month of June, we moved into a 26 foot trailer to save on monthly expenses. God has blessed us with a gracious family that has allowed us to stay on their property for free.

July 22nd was our last day at Victory Baptist Church. We were in seven churches during those last days of July spreading word about what God has done for us. We earnestly hope and pray that God will send us to our field quickly.

During the month of July we saw five precious souls make a profession of faith in Christ. I knocked on Zurrey's door on a Tuesday morning. She grew up with an Apostolic Pastor as a Dad. She let me know that she was not sure of her salvation. As I explained to her that Jesus Christ paid for all of her sins, past, present, and future her eyes began to well up with tears. "I've never heard that", she said. Zurrey hung on to every word as I clearly explained the Gospel to her. It seemed she was so familiar with the Truths of God's Word, but that nobody had ever made it personal and accessible too her. As we finished the conversation I asked if she had ever placed her faith in Christ for the forgiveness of ALL of her sins. She hadn't, but she was glad at that moment to trust Christ as her Savior. Praise the Lord the Gospel still works in 2017 for lost people!

To those of you praying and supporting us, that is fruit that abounds to your account! Thank you for those of you who have picked us up for support over the last couple weeks. Already during the month of July we reached 4% of our needed goal of \$6,000! Please rejoice over this with us! God is increasing our burden for the people of Alaska on a daily basis, we are excited to go and labor in love, in prayer, and in His work.

Finally, my brethren, be strong in the Lord, and in the power of His might!

Of Him, and through Him, and to Him,
The Fisher Family
