**Bishop John Dolben**

The colour of the shield is___________.
This means___________________.

On the shield there is a helmet. This means___________________.

**Bishop E.S. Talbot**

The red and gold shield tells us that this bishop was ____________ and _____________.

The golden griffin tells us that he was___________.

The pictures, patterns and colours on the bishops’ shields all have special meanings which can tell you about the kind of person they were.
Bishop Zachariah Pearce
The colour of the shield shows that this bishop was _____________________. The pictures tell me that he was ______________ and _______________________.

Bishop John Poynet
What does this shield tell us about Bishop John Poynet? ___________________________ ___________________________.

Bishop Samuel Bradford
The colours and designs on Bishop Bradford’s shield tell us _______________________________.

Bishop John Bowle
This shield tells me that this bishop was ___________________________ ___________________________.

Bishop John Hilsey
Sometimes pictures can be used to communicate a name. Bishop Hilsey’s shield shows a hill and water (the sea), hill—sea Hilsey! What do the white background, the fish and the eagle tell us about Bishop Hilsey?

Can you find any other bishop’s shields showing their name as a picture? Write their names here. ____________________________________________________________

Why not design your own coat of arms.
