September 13, 2018
69 State Street, 8th floor
Albany, New York 12207

Board attendance: Samuel Wells, Charles Touhey, and Todd Curley
Staff attendance: Adam Zaranko, Virginia Rawlins, Amanda Wyckoff, Irvin Ackerman, Erica Ganns, Andrea Gross

The meeting began at 3:10 pm.

Minutes of the August 2018 Meeting were approved.

Application fee vs Deposit in Escrow: In an effort to curb buyers “walking away” from sales after Board approvals, new application fees were discussed with the possibility of taking a larger application fee based on the value of the deal. If a candidate is selected the application fee is non-refundable and will credit towards the purchase price. All other applicants would have a portion refunded to them. Looking into the possibility of having M & T bank handle deposits and refunds. There could possibly be tiers of evaluated properties with investors paying more.

Neighbors for Neighborhoods Program: Received a grant to help qualified buyers increase local ownership and offer the community long term affordable rental opportunities. The ACLB identified 3 properties: 315 Clinton, 311 Clinton and 2 Judson Street for the program. Outside appraisals for these properties came back high compared to our proposed sale price. Also discussed was what source of funds we would accept for a down payment. Most banks would require a 25% down payment and we would like to find resources to help our applicants by reducing the purchase price, so bank appraisal would include part or all down payment required.

Spend a little, Get a Lot! Program: The A&D Committee recommended to advance the sale of 2 lots for not-for-profit organizations: Habitat for Humanity (6 Stephen Street) and Interfaith Partnership for the Homeless (163 Sheridan Avenue).

Equitable Ownership Pilot Program: Buildings selected for EOPP require a low to moderate amount of rehabilitation and we are in the process of getting scopes of work on these buildings. Buyers will be paired with a Rehabilitation Mentor who will assist with creating a redevelopment plan and provide support during the rehabilitation process. Open Houses were conducted over the past weekend as well as a community event to discuss the process. Discussion was held about offering a 50% discount on future phases. EOPP properties advanced to Board of Directors were:

- 50 Emmet Street/48 Emmet Street (Lamyaah Lanier-Myles)
- 175 Broad Street (Stephanie Santana)
- 612 Livingston Avenue (David Lue and Phyllis Gregory)

Other Business: Albany Community Land Trust, Sue Cotner offered us a $1.00 for 435 Clinton Avenue. The Board would like to counter offer with $1,000.
