1) Replace the third Resolved Clause of Resolution #68 with the following:
   RESOLVED: Each participating municipality shall have its own Property Acquisition and Disposition Committee or Committees (hereafter Committees) for each of its designated neighborhood revitalization areas. The purpose of these committees shall be to advise the land bank staff and board on land bank activities in their respective areas, as well as to keep residents of those areas
apprised of land bank activities and provide them the opportunity to comment. The Committees will work with the board to develop a set of acquisition and disposition priorities and policies. The land bank may employ a not-for-profit corporation that serves the specific neighborhood to assist the Committees in this process.

The Committees will keep the board informed about developing conditions and opportunities related to vacant or delinquent property in their coverage areas. The Committees will develop ways to keep stakeholders in their areas apprised of land bank activities and opportunities, will solicit input from stakeholders and convey it to the Board. At a minimum, each committee shall, in conjunction with land bank staff, hold a well-advertised annual public hearing to take input on their priorities and goals and to present a report on their recommendations throughout the year as compared to the final decisions made for the same properties. In addition, the committee may, by majority vote, call for a public meeting of the land bank board for the same purpose.

The Board will keep the Committees informed of potential acquisitions and development opportunities in their areas and will afford the Committees adequate time to review and make recommendations on all purchases or sales that don’t fall within a predetermined set of routine transfers (e.g. side lot sales). All decisions shall be made collaboratively with the municipality’s planning staff and the relevant Committee.
