About the TD Five Boro Bike Tour
Charity Riders

On May 3rd, 2020, over 32,000 cyclists from around the globe will come together for a car-free ride over 40 miles on New York City streets, over bridges, and across avenues, throughout the 5 boroughs.

The TD Five Boro Bike Tour is the world's largest charitable bike ride. ECPAT-USA was selected again this year to be a charity partner. Will you join our team of 10 riders in the fight against the trafficking and commercial sexual exploitation of children? Your support goes directly to our programs, all of which protect children in the United States from this unconscionable crime.
