

PENNIES PRN

PENNIES! PENNIES!! PENNIES!!!

Salutations! The Florida Nursing Student Association (FNSA) needs your magnificent pennies for the Pennies PRN drive to help provide scholarships for nursing students. For over 20 years, Pennies PRN has raised over \$100,000 in scholarship money and has helped students pay for their board exams, their textbooks for tuition, as well as other expenses. By helping your fellow nursing student, you can make an impact because every penny you donate is a blessing in someone's else life.

2. Give an award for the most creative fundraising idea for Foundation Scholarships.
