YOU'RE INVITED TO ATTEND

Garden Party

FRIDAY, MAY 1, 2020
STONEY CREEK CONFERENCE CENTER
Dear Friends,

We are excited to announce that A New Leaf’s annual Garden Party will be held May 1, 2020! Thanks to all the hard work of last year’s event chairs, Mark and Rhonda Bender, along with the staff, volunteers, and your generosity, the event was a blooming success!

Sarah and I are thrilled to be chairs for this year’s event with an exciting new venue. The annual Garden Party has grown tremendously over the last several years, so we have decided to bring the garden indoors and host the event at Stoney Creek Hotel and Conference Center in Broken Arrow, just a few miles from A New Leaf! Another great example of how we are blessed to GROW. BLOOM. THRIVE.

A New Leaf is changing the lives of more than 325 people with developmental disabilities every day, providing them an opportunity to attain meaningful employment, to become more independent, live on their own, and do the things they enjoy. This is our second year to be involved with A New Leaf and we love seeing the impact made in our community. Our favorite part of being involved is walking through the greenhouse and seeing how proud the clients are to show off their work, the new skills they have learned, and tell us about their day. Garden Party is also one of my favorite ways to share this experience with you.

The Garden Party is always a fun evening. You can count on great food, drinks, entertainment and an exciting auction, but it is also a great time to meet some of our clients and see for yourself the impact being made. And although the venue has changed, it wouldn’t be the same without the plants and flowers our clients work hard to grow. So while you are buying some new plants for spring or jumping in to make a bid during the auction remember the cause and together we can make a difference.

A sponsorship packet is enclosed for your consideration. Please reach out to Lindsey Stewart at 918-451-1491 x105, or lindsey.stewart@anewleaf.org, to secure your sponsorship table and tickets. We look forward to seeing you at the Garden Party on Friday, May 1, 2020.

Brian & Sarah Vogt
2020 Garden Party Chairs
A New Leaf’s mission is to provide people with developmental disabilities with life skills, marketable job training through horticultural therapy, community-based vocational placement, and residential services to increase their independence and individual choices.

Garden Party is A New Leaf's signature spring event on May 1, 2020. It is a night recognizing excellence and achievements of our clients and supporters. The evening will feature dinner, drinks, live music, live and silent auctions, a short program and more.
