IN THE STUDIO GARDEN AT CHESTERWOOD

An afternoon of surprise and delight under the big tent with family and friends for tea, cocktails, live entertainment and delicacies to taste!

To Benefit Chesterwood's New Programs for Children

American sculptor Richard Blake Recipient of the 2025 Daniel Chester French Award

The Advisory Council of Chesterwood is pleased to present sculptor Richard Blake with the first Daniel Chester French Award to be conferred annually to an artist, individual or organization that has excelled in the field of sculpting or has made a significant contribution to advancing this art form.

Richard Blake's sculptures have been included in over 100 international and national exhibitions and in many private collections and public outdoor commissions. Blake is the sculptor of the W. E. B. Du Bois monument that will be unveiled at the Mason Public Library in Great Barrington later this summer.
