The National Desert Storm War Memorial Association is facing an immediate need to raise \$250,000 in order to proceed with the Memorial as the organization moves forward with S.J. Res 1 and the vote on the location of the Memorial in the US Senate. This money is critically needed in order to complete the site selection process and determine the FINAL location of the Memorial.

January 16th marks the 26th Anniversary of Operation Desert Storm. On February 26th, Kuwaiti citizens will celebrate their Day of Liberation, made possible by the sacrifice and dedication of over 500,000 American and Coalition soldiers from around the world and 383 American soldiers who paid the ultimate sacrifice.
