

THIS VETERANS DAY 2013, PUSH FOR HR 503 CO-SPONSORS

Washington, DC, November 8, 2013 -- On this Veterans Day we'd like to ask our supports to encourage members of Congress who are military veterans to sign up to co-sponsor the legislation that authorizes the National Desert Storm War Memorial: [H. R. 503 National Desert Storm and Desert Shield War Memorial Act](#). Please call, write or email Representatives on this list to thank them for their service (they are veterans too!) and ask that they show their support for the men and women that sacrificed so much to liberate our ally, Kuwait, from the occupation by Saddam Hussein's Iraqi forces.
