Speaking Topics include:

My Own Painful Journey of Grief Turned to Hope

Anne-Marie's inspirational journey of pain, hope and healing will challenge beliefs about grief, and transform the awkwardness of approaching a grieving friend into the ability to comfort with confidence.

Learn:

common misconceptions of grief • tips and tools incorporating Anne-Marie's innovative approach to healing and recovery • how to aid in healing, not exacerbate a wound • how to overcome the social paralysis of saying the wrong thing in a sensitive moment • etiquette and life skills necessary to help others in their moments of greatest need.

How to Retain a Widowed Client

More than 70 percent of widows leave their financial advisors after the death of their spouse. Learn how to not only maintain the client, but build the trust relationship through insight, tools, resources and planning.

Increasing Productivity and Decreasing Costs

Hidden grief costs businesses more than \$7B annually. Gain insight on how to increase employee well-being and productivity. Learn tips and tools for helping grieving employee deal with the aspects that are unique to their specific type of profound loss including death, divorce, or a devastating health crisis.

When Their World Stops, The Essential Guide to TRULY Helping Anyone in Grief, is the award-winning book authored by Grief Recovery expert **Anne-Marie Lockmyer**.

Anne-Marie is a Certified Grief Recovery Method Specialist and her work has appeared in notable media outlets such as *Rolling Stone*, *LA Wave* and *Billboard*. She has been a featured speaker at multiple venues including the California Institute for Women, End of Life Seminars and the TIP Trauma Intervention Program.

As a widow who suffered a devastating loss herself, Anne-Marie is passionate to dispel the myths about grief and grieving. She is dedicated to helping businesses understand the hidden impact of grief on their bottom line.

Her humorous approach and impactful speaking style make her seminars empowering and transformative. Her mission is to bring individuals hope in the midst of pain and provide tools that help people experience joy in their lives once again

PRAISE FOR ANNE MARIE:

Anne-Marie is one of the most powerful, engaging speakers I've met. She is a wealth of information, personable, just an all-around down to earth wonderful person.

Thanks Anne-Marie for simply being you.

RoxAnne Le Sene

Executive Vice President

Internal Empowerment Coaching

Anne-Marie was able to connect with the audience immediately and deeply, she had them crying but also, at times, laughing. Her down to earth demeanor and genuine concern along with her educational content had a powerful impact.

Les Triché

Principal, El Prado Adult School and College Programs California Institution for Women
