

VISIT TO Southampton - Thursday 17th October 2019

Our 2019 autumn visit will be to the Sea City Museum, City Art Gallery and Tudor House.

Itinerary

- 10.00am** – Depart Portsmouth Cathedral by coach
- 11.00am** – Arrive at the Tudor House. Time for visiting the house and garden
- 12.00pm** – Walk to Civic Centre for Sea City Museum and Art Gallery
- 3.30pm** – Depart Southampton Civic Centre returning to Old Portsmouth at about 4.30pm

Tudor House and Garden – The house reveals over 800 years of history in one fascinating location at the heart of the Old Town. The timber-framed building was built in the late 15th Century, with King John’s Palace close by. Tudor House gives a unique and atmospheric insight into the lives and times of both its residents through the years, and of Southampton.

Sea City Museum tells the story of the people of the city, their fascinating lives and historic connections with Titanic and the sea. The exhibitions bring maritime history to life through an interactive experience designed for all interests and ages.

City Art Gallery has a renowned international collection of over 5,300 paintings and is celebrating its 80th Anniversary this year. *Gallery 80* is a display of pride and celebration: showcasing the highlights of an already significant collection that was acquired ahead of the Gallery’s opening and, for the first time since 1939, presents the paintings which featured in the original exhibition.
