EXPERIENCING THE LAND OF THE BIBLE

There are experiences in life that change everything. A biblical study trip to Israel with Kuyper College is one of those moments that can completely change the trajectory of your life. Understanding the text in its cultural, geographical, historical, and Jewish contexts unleashes the depth and nuance of the Bible in the most compelling and awe-inspiring of ways. This experience will launch you into a lifelong pursuit of studying the biblical text as a disciple of Jesus Christ.

EXPERIENCE THE “GREATEST STORY” IN THE LAND WHERE IT WAS LIVED

Join Dr. Dan Kroeze, Professor of Biblical Studies at Kuyper College, and Rev. Evan Heerema, Pastor at Covenant Christian Reformed Church, on a fascinating journey through Israel, the land God chose for his people. Visit the places where Joshua, David, and Hezekiah served God. Experience the desert of Abraham, Isaac, and Jacob and the desert metaphors of the Psalms. Walk in the footsteps of Jesus and his disciples in Galilee and Jerusalem. Stand on the spot where the church was born on Pentecost and believers were sent to bring the good news to all the world. See the Bible in a new light, and return home to serve the God who blessed us beyond imagining with this biblical journey through place and time. The study tour combines historical, geographical, cultural and spiritual aspects that will illuminate the world of the Bible and provide a comprehensive understanding of the land of Israel.
WHAT ARE SOME OF THE DETAILS OF THE STUDY TOUR?
The trip is two weeks with 12 full days in Israel. The size of the group is usually from 30-40 which includes Kuyper College students as well as adults (parents, friends, etc.). Several hikes are planned along the way to experience the beautiful country of Israel. Pre-trip orientation (including readings and lectures) will begin during the winter semester 2020 prior to the trip.
