Dear Pupils, Parents and Carers,

I am writing as Chair of the recently formed IEB to introduce myself and the rest of the board and explain a little about our role.

The IEB has five board members who have been chosen for their skills, expertise and experience so that we can fulfil the role of supporting and challenging school leaders to ensure that rapid and sustainable improvements are made to the school.

The IEB Members are:

**Lorne Pearcey (Chair)**, National Leader in Governance and Teacher at King Edward VI Camp Hill Boys’ School.

**Paul Roberts**, Member of BEP School Improvement & Advisory Committee, former Headteacher of a special secondary school and NLE.

**Gillian Cloke**, Company Director and Management Accountant, BEP.

**Vicky Miller**, Headteacher Oscott Manor School, a special secondary school.

Unfortunately, the exceptional circumstances that we currently face mean that to date we have not had the opportunity to meet you in person. However, the board has already held its first meeting, ‘virtually’ rather than face-to-face, and are beginning to understand some of the key challenges that the school is facing.

We are committed to supporting you all through this period of school closure and isolation, and are very much looking forward to being able to have a much more active role in due course. We hope to get to know the whole school community and learn what it is that you value about Hunters Hill College.

As part of our commitment, we will ensure that you are provided with regular updates as to the progress that the school is making.

Yours faithfully,

Lorne Pearcey
Chair of the Interim Executive Board
Hunters Hill College
