

Get Money for Your Family

Child Tax Credit payments begin July 15, 2021

To help families during COVID, the U.S. government made changes to the Child Tax Credit. Families can get half of the fully refundable credit—worth up to \$3,600 per child—as monthly payments in 2021 and the other half as a refund in 2022.

Age of Child in 2021	Monthly Payment (July-December 2021)	Lump-Sum Payment (2022 Tax Refund)
0–5	Up to \$300 per child	Up to \$1,800 per child
6–17	Up to \$250 per child	Up to \$1,500 per child

Important:

- Child must have a Social Security number (SSN). You can have SSN or Individual Taxpayer Identification Number (ITIN).
- You will get maximum payment amounts if you had no income or Adjusted Gross Income (AGI) up to \$75,000 (single filer) or \$150,000 (joint filers).
