Argus Community Inc. is seeking a Cantonese/Mandarin Care/Case Manager for our Queens office:

Position Summary:

Responsibilities include, but are not limited to; providing a wide range of direct and indirect support services to participants and their families/collaterals with the goal of assisting participants in achieving positive outcomes and move towards developing an independent lifestyle.

The Care Manager has overall day-to-day responsibility for coordinating the provision of Health Home services for clients with complex medical, psychiatric conditions, and for facilitating clients’ access to the full range of medical and psychosocial services. The Care Manager is responsible for coordinating medical care for clients with frequent inpatient and ER admissions. The CM will complete an in-depth screening, intake, and initial assessment; subsequently completing and overseeing a client-focused care plan, detailed and mutually developed with each participant.

Qualifications/Criteria:

- A minimum of a Bachelor’s Degree from an accredited school in an appropriate human/social service field
- Experience with intensive need chronically ill or similar population
- Experience with HRA, HASA, hospitals or clinics a plus
- Experience with transitioning clients from adult homes back to the community
- Good written, verbal, and organizational skills
- **Must be able to read, write and speak Cantonese or Mandarin fluently.**
- Ability to use computer software systems a must
