Social Worker

The Lower East Side Service Center is seeking to hire a Social Worker in the Bronx.

Schedule:

Monday/ Wednesday 10am-6pm
Tuesday/Thursday/Friday 9am-5pm

Job Description:

The Social Worker will be responsible for collaborating with tenants to develop individualized service plans and coordinate services, which include: clinical care management, individual and group counseling and didactic workshops, referral consultation, and clinical supervision. Special attention will focus on optimizing family strengths and support, mitigating the impact of trauma, reducing the harm of substance use and vocational and educational reliance, and promoting individual and family wellness self-management, with a goal of social autonomy. Experience with Foothold Technology is essential.

Requirements:

- Bilingual English/Spanish required.
- MSW, MHC, or MA.
- Experience in therapeutic intervention and understanding in utilizing community resources and working with individuals and families that have been homeless and identified as having a history of substance use disorder.
