Care Manager

Advance Care Alliance is seeking to hire a Care Manager. (Must be bilingual in Cantonese/Mandarin).

Schedule:

Monday thru Friday
9am- 5pm

Pay:

Hourly rate 24.91 to 30.55 based on Degree, Experience, and Bilingual.

Job Description:

The Care Manager provides services within the Care Management programs, including Health Home Care Comprehensive Care Management, HCBS Basic Plan Support, and State Paid Care Management services. This position may support Willowbrook Class Members. The core responsibility of the Care Manager is to oversee and coordinate access to services for people with intellectual and developmental disabilities. The Care Manager works with the members, their families and/or representative, and providers to develop, implement, and monitor an integrated and person-centered life plan. Following the completion of a comprehensive assessment process. The Life Plan is the foundation upon which service delivery is built. The Life Plan identifies services that meet medical and behavioral health needs, community, social support, and other necessary services to support them to live their healthiest and most meaningful life. A key function of this role is being a strong advocate in supporting the members to access needed services to reach their goals and live a meaningful and quality life.

Requirements:

-Bachelor's Degree

-Minimum of 2 years working with the Intellectual/Developmental Disability community, Mental Health illness, Behavioral Health, or Child Welfare.
