Our Website
We’re committed to protecting our namesake!

Bales upon bales of recycled items at our wool mill get sorted by color and then turned into reusable fibers for our signature Washable Wool blends.

Did you know?

According to the Natural Resources Defense Council, textiles account for more than 20% of the world’s water pollution and 10% of global carbon emissions.

And then the Environmental Protection Agency tells us more than 8 million tons of textiles go to landfills annually – YUCK!

In addition to choosing suppliers and mills that follow environmentally sound practices, Wooded River has made it our goal to increase our recycled and upcycled product offerings every year.

From our new line of Cotton Blends to our signature Washable Wool blends, you can rest warmly (inside and out) knowing your purchase is supporting green practices!

How we’re helping...

Almost two-thirds of our bed ensembles are made from up to 90% recycled fibers.

Our signature Washable Wool blends carry the Global Recycled Standard certification.

Going for something specific and can’t find it? Look no further!

Even if you can’t find what you’re looking for among our thousands of standard offerings, don’t worry... let Wooded River be your custom design partner and work room!

We have provided custom solutions to hundreds of happy clients ranging from custom fabrics, pillows, window treatments, bed scarves, bedding, and beyond.

Customizable to the max!

We’ll make it just for you...
The devil is in the details and nothing brings it all together like the finishing touches.

From custom bed scarves and box spring covers to window treatments and shower curtains, Wooded River offers solutions to help complete any space.

**Bed Scarves**

If you want to add a little flair to your bedroom without changing out your entire bedding collection, a bed scarf is the way to go. Choose any fabric, any type of finishing, and any length.

**Box Spring Cover**

Custom box spring covers can take the place of bedskirts for a tighter look. Due to size variance of box springs, call for pricing and fabric suggestions.
Drapery

Enhance your home’s style with drapery from Wooded River. The right drapery can make a room go from blah to wow...

Wooded River drapes and valances can be custom ordered four different ways (as shown below).

- **Rod Pocket**
  - 3" rod pocket, 1 ½" header

- **Tab Top**
  - 3" Tab Top

- **Soft Pinch Pleat**

Our drapery tie backs come in standard 3/8" grommet closures. Velcro closure is available upon custom request. Standard tieback sizes are 3" x 20".

**Window Treatments**
Wooded River offers drape panel suggestions in each ensemble. Most fabrics are able to be made into valances, drapes, and tiebacks as custom items, see pages 148-153 for fabric options. Please call for custom pricing.

**Please note:** Because of the large variety we offer, all drapes, valance, and shower curtains are custom items and cannot be returned. *Any drapery not shown in catalog is considered custom.

While this collection was developed by Jerome’s mother Pam, the inspiration was from Jerome. The pride a mother feels for her child’s accomplishments can not be surpassed. This led to the decision to offer a collection of furniture and accessories that exemplify the spirit of the cowboy.

Jerome set his sights on the bull riding championship as a child and never lost sight of that desire. He worked hard and trained hard and reached his goal as the 1995 PRCA World Champion Bull Rider. Jerome had his sights on another championship when an unfortunate 1998 accident on a bull named Knock ‘em Out John left him paralyzed from the chest down. Now the desire to overcome this obstacle became his focus. A true champion, he has done just that. Today Jerome and his wife Tiffany host bull riding events for the PBR and for local charities. J.W. Hart said it best, “Jerome is the happiest person in the world. When someone needs a hand, Jerome’s there to help. He always has a smile on his face. Jerome has as big a heart as anyone.”

The Jerome Davis Collection….built with pride….built to last….built for the cowboy in all of us!

Wooded River Disclaimer

Every effort has been made to use accurate photographs, product descriptions, and specifications at the time of printing. However, because of continuous improvements in our product line, specifications and descriptions, and printing are subject to change without notice of obligation. Sews, wrinkles and folds all contribute to the natural beauty of top grain leathers and do not affect the performance or longevity of the leather. The appearance of these characteristics varies from minimal to prominent, depending on the hide selection and processing. Dyes are absorbed differently throughout the hide and some color variation is normal and expected.
