Q17: Past surveys and discussions have identified a number of potential education and training specific tasks for MAWD. They are listed below. Please go through the list and check which topics you would be interested in learning more about and those you would be less interested in learning more about.
Q18: We would also like to know about the amount of service that MAWD as an organization is providing to your watershed district. Is it: too much service for your district; just about the right amount of service for your district; or too little service for your district? Please check the appropriate box.
