Joshua Prayer Ministry

TONIGHT: Chad Trench

Sunday, October 8th

MORNING: **Melissa Boyd**

EVENING: **Becky Pigg**

[Sub-Saharan Africa] During a Story Together event in West Africa, Christian workers trained local believers to craft Bible stories in their language. These oral stories are the only Scriptures the people group has in their mother tongue. IMB ethnomusicologist **QUINN MCCLINTOCK*** also trained the group to create a **worship song in their language.** **“They claim that all of their songs—even cultural songs—are borrowed from other cultures,”** Quinn said. **“If this is true, then ... their first [original] song is in praise of God!”** Your gifts through the Cooperative Program help Quinn and others equip local believers to study Scripture and worship the Father in their own language and cultural tradition.

Isaiah 55:2

Our use of money should produce a quality of life that is fulfilling and eternal. Primary in the use of money is giving to share the gospel and to help people in need.
