Support Groups

Cancer Support Community Atlanta offers a variety of support groups to meet your needs. You will find groups that meet weekly or monthly. Each is designed to provide you and your caregivers with encouragement, support and hope. Many groups are offered in person, with the option of also attending virtually through a hybrid platform.

To join a group please email Lauren Walch at lauren@cscatlanta.org. Please note: This information is correct as of January 2024. Times may change, so visit our website at www.cscatlanta.org for the latest information.
