## ALWAYS IN PLAY™

### ALWAYS IN PLAY - RAIN OR SHINE

Whether it's a casual weekend round with friends or the final round of the club championship, STORM TOWEL is built tough to perform under all playing conditions. Use the plush 100% cotton terry towel inner side to wipe grooves clean after you flush your approach into a tucked pin. Then simply detach the marine-grade stainless-steel carabiner latch from your bag and use STORM TOWEL to clean your ball as you stare down that testy 4-footer for bird.

When the skies threaten, just flop STORM TOWEL over the top of your bag for instant protection for your clubs from a sudden down-pour or a steady all-day rain, shielded by its durable rip-stop nylon shell with polyurethane undercoating for maximum water resistance. No snaps or zippers to fuss with, and fully machine-washable. Simple and easy.
