

Take Back

You can now recycle your old electricals with us.

If you're buying a new electrical item, we will recycle your old one for free.

Why recycle?

Unwanted electrical equipment is the UK's fastest growing type of waste.

Many electrical items can be repaired or recycled, saving natural resources and the environment. If you do not recycle, electrical equipment will end up in landfill where hazardous substances will leak out and cause soil and water contamination – harming wildlife and also human health.

We can help

We are pleased to offer our customers the chance to recycle their old electrical items.

Items may either be taken back into one of our stores or sent in to our head office at the following address:

Take Back Returns

Get Connected,
19 Nevill Street,
Abergavenny,
Monmouthshire,
NP7 5AA.

To remind you that old electrical equipment can be recycled, it is now marked with a crossed-out wheeled bin symbol. Please do not throw any electrical equipment (including those marked with the crossed out wheeled bin symbol) in your bin.
