CHRISTIAN ACADEMY  
*Integrating Faith, Love, and Learning*

At ACA, we are dedicated to training up the next generation of Christian leaders through the integration of faith and learning in a loving environment. We have a gifted team of teachers who are committed to partnering with Christian families in the education of their children by building upon what is being taught at home and in the church. ACA is set apart by its loving staff, specialized instruction, and commitment to excellence. Biblical truths are woven throughout academics, the arts, and athletics, and are applied in everyday school settings. One of our primary goals is to glorify God by raising up servant leaders who develop a Christian worldview with a desire to impact the world for Christ.

Your child must live in Florida and be 4 years old on or before September 1 of the current year to be eligible for the K4 state-funded VPK program.
