

## SWS 2018 Call for Workshop Proposals

### Wetland Science: Integrating Research, Practice, and Policy – An Exchange of Expertise

The 2017 Society of Wetland Scientists' annual meeting promises to be a prime educational and networking opportunity that will gather leading researchers, practitioners, policymakers and academics passionate about the advancement of wetland science. Hosted at the Marriott Denver City Center May 29 – June 1, this unique meeting is themed Wetland Science: Integrating Research, Practice, and Policy – An Exchange of Expertise. The program will highlight the interdisciplinary nature of wetland science and practice, how wetlands function, and how protection and restoration play a significant role in the health of our ecosystems and society. In addition to strong scientific programming, a variety of interactive field trip and workshop opportunities will be available.

### Workshop Scheduling

Workshops greater than one hour in length will be scheduled on Monday, May 28 and may be half day or full day. One hour workshops will be scheduled on Tuesday, May 29 through Thursday, May 31.
