Participant Liability Waiver and Agreement

Earth Island Institute ("EII") is a nonprofit organization whose mission is to support groundbreaking activist projects, mentor a new generation of environmental leaders, and engage the public and private sectors with innovative ways of protecting the well-being of our planet. In line with its mission, Earth Island provides long-term support for established projects through its fiscal sponsorship program. I wish to participate in a workshop with CONSERVATION KIDS project ("Project"). By signing below, I (or my legal guardian) agree that:

Safety
For my safety and that of others, I will comply with EII’s volunteer policies, safety rules, and other directions. I will supervise any child or other person for whom I am responsible. If I become aware of any hazardous condition or danger at a Project site, I will alert EII. I will use only equipment and tools that are offered for my use and that I am competent to operate safely. I have no physical or health limitations that would prevent my safe participation. I will not participate while under the influence of alcohol, a controlled substance, or medication that impairs my physical or mental abilities.

Risks of Participation
I understand that volunteering/participating involves risks, including physical injury, death, emotional distress, and damage to property or reputation. Such risks may be inherent to physical exertion, or may arise from conditions at Project sites, use of equipment, my own actions or inactions, or the actions or inactions of Project staff, other volunteers, and others present at Project sites.

Awareness and Assumption of Risk
I confirm my understandings above. With this information and awareness, I am knowingly participating as a volunteer/participant, and I knowingly assume and accept the risks of all injury, illness, death, property damage or loss, financial obligation, loss of privacy, and all other consequences that may result, directly or indirectly, from my volunteer/participant activities, regardless of the cause. My participation is purely voluntary.

Waiver and Release of Claims
I waive and release EII and its directors, officers, any Project advisory board members, agents, employees, volunteers and affiliates, and any sponsors of the Project (collectively, the "Released Parties") from any and all liability, claims, costs, and damages of any kind which I or my heirs, next of kin or legal representatives may have or which may later accrue, resulting or arising directly or indirectly from (a) my participation in the Project or presence at or travel to a Project site or (b) any first aid, transportation or medical care provided to me in connection with my participation. This release and waiver includes, in each such case, all claims in respect of the risks noted above, regardless of the cause or whether such claims arise from tort, contract or otherwise, and even if caused by negligence, whether passive or active. I agree not to sue any of the Released Parties on the basis of these waived and released claims.

Medical Care Consent
I authorize EII to provide to me first aid and, through medical personnel of its choice, medical assistance, transportation and emergency medical services. This consent does not impose a duty upon EII to provide such assistance, transportation, or services. I will be responsible for any costs related to my medical treatment and transport.
Confidentiality
As a volunteer/participant, I may have access to confidential information. At all times during and after my participation, I agree to hold any such confidential information in confidence and not disclose or use it except as required in my volunteer/participant activities or as EII expressly authorizes in writing.

Assignment of Work Product
If I prepare any work product for the Project, I intend for EII to have full non-exclusive rights and licenses to such work product, including brochures, reports, websites, software, images, videos, presentations, or other materials I create or help to create for EII on behalf of the Project, and any intellectual property rights in or derivatives of such work product. Accordingly, I: (a) assign to EII all rights, title, and interest worldwide in the work product; (b) grant to EII an irrevocable, non-exclusive, royalty-free, perpetual, and worldwide license to any rights in the work product that cannot be assigned to EII; and (c) waive enforcement against EII of any rights in the work product that cannot be assigned or licensed to EII.

Publicity
I consent to the use by EII of my image, voice, name or story in any format, including video, print, or electronic (collectively, the “Materials”), as EII may deem appropriate for program, promotional, archival, or other purposes. EII may make the Materials available at its discretion to third parties, on the Project’s or EII’s website, in EII’s publications, or through any other media, including social networking platforms. I waive any right to inspect or approve the finished product or to receive any payment. I grant to EII a non-exclusive license to the Materials and waive any legal claims, including those relating to copyright, or rights of publicity or privacy.

Volunteer/Participant Not an Employee
I understand that (a) I am not an employee of EII, (b) that I will not be paid for my participation, and (c) I am not covered by or eligible for any insurance, health care, worker’s compensation, or other benefits. I may choose at any time to stop my volunteer/participant activities.

General Provisions
I understand that this agreement will be legally binding not only on me but also my heirs, next of kin, and legal representatives, and will run in favor of, and may be enforced by, each of the Released Parties. This agreement will be binding to the fullest extent permitted by law. If any provision of this agreement is found to be illegal, invalid or unenforceable, the remaining terms will be effective.

I have read this agreement and understand its terms and that I am giving up certain legal rights by signing it. I sign it freely and voluntarily.
