Notice of Joint Public Hearing and Educational Impact Statement

The Proposed Re-siting of a Portion of Teachers College Community School (05M517) to M484 Beginning in the 2018-2019 School Year

Overview:

The New York City Department of Education (NYCDOE) is proposing to re-site a portion of Teachers College Community School (05M517), referred to as TCCS, to building M484 beginning in the 2018-2019 school year. A re-siting means that students will attend classes in a different building than in previous years. TCCS is an existing district school that currently serves students in grades K-6 and offers a pre-Kindergarten (pre-K) program in building M916, located at 168 Morningside Avenue, New York, NY 10027 in Community School District 5, referred to as District 5. M484 is located at 223 West 132nd Street, New York, NY 10027, 0.5 miles away from M916.

If this proposal is approved, in the 2018-2019 school year, TCCS will be split-sited and located in two buildings in the district. A split-site means that a single organization serves some grade levels in one building and other grade levels in another building. TCCS’s grades K-2 would be re-sited to M484 and TCCS’s grades 3-7 and pre-K program would remain in M916. In the 2019-2020 school year when the school is at-scale, TCCS will serve grades K-3 and a pre-K program in M484, and grades 4-8 in M916.
