What is the Local Control Funding Formula?

Local Control Funding Formula (LCFF):
- LCFF is a new way of deciding how much money each school district gets across CA (enacted 2013-14)
- Provides a uniform base grant for each charter school per unit of ADA
- *Local* Control = provides flexibility for charter schools to work with our stakeholders/community to identify education priorities

Greatly simplifies state funding for local ed agencies (LEAs) + Adjustments

*As of 5/2/18. We anticipate this year’s numbers to exceed the previous year’s by the end of June 2018.
Greatest Needs

• Increased access to technology for students (e.g., computers/tablets, digital curricula, online courses)
• Curriculum to support lower-level learners and to increase college/career readiness
• Increased re-entry support personnel and data systems to track student transitions
• Established systems for increased data accessibility, targeted data collection, and consistent distribution and analysis
• The development of an ESL plan to transition students from ESL to the high school diploma program
• The development of retention, graduation, and college pathways for TAY

2018-19 LCAP: Key Changes

• Revised Goals to better align to mission, vision, charter, and WASC action plans.
• Articulated Metrics (outcomes), Actions, Services, and Budget per Goal.
• Created tracking system for new outcomes.
• Created yearlong plan of stakeholder engagement in LCAP to educate, monitor progress, solicit input, reflect and refine.
Three-year Goals Summary

1. Engage historically disenfranchised populations to provide accessible and quality education opportunities.

2. Provide diverse opportunities for students to continue their education through our community sites, career training, and/or college.

3. Establish an organization-wide culture that integrates restorative justice, social-emotional learning, and other principles that encourage the holistic development of the student, with the intention of increased social integration into their families and communities.
Engage historically disenfranchised populations to provide accessible and quality education opportunities.

Goal #1: Engage historically disenfranchised populations to provide accessible and quality education opportunities.
Goal #1

**Actions & Services**

- Teachers create individual student plans with weekly 1:1 meetings to monitor and ensure progress.
- Teacher permitting support and credential audits.
- Professional Development:
  - 2x monthly in staff meetings
  - 5 days annually
  - 3 days New Hire Training
  - STEP program for substitute and new teachers
- Teacher mentoring, coaching and evaluation process to increase consistent feedback.
- STEMCAP credentialing support to assist 12 existing staff members in earning Science/Math credentials
- Staff surveys to obtain feedback and input
- IT Team ensures sufficient hardware and bandwidth, and updated software.
Goal #1

Actions & Services

- Provide robust teacher supports:
  - Director of Curriculum, Instruction and Assessment (CIA)
  - 2 Teacher Development Coordinators
  - 30 teacher mentors and coaches
- Provide curricular resources such as Plato and Lexia Learning.
- Continue to research additional curriculum options.

- Support Services and Counselor positions
- Leadership Development Program
- Facilitation Training for leaders and p.d. Facilitators
- External PD conferences such as CEA, CCIS, CSDC
- Academic Committee (principals, teachers, CIA team)

Supports for English Learners

Assessments:
• English Language Proficiency Assessments for California (ELPAC),
• CASAS ESL Assessment

Curriculum and Instructional Support:
• Hire a consultant to develop an ELD Master Plan
• Develop new ESL and literacy curricula

Support staff
• 2 full-time Teacher Development Coordinator
• 1 part-time Curriculum Writer to develop ELD curriculum
• 1 full-time Curriculum Manager will be hired

Individual goal tracking
Process for SPED students, specifically students who were enrolled for 3 consecutive months or attended 120 minutes of Specialized Academic Instruction.
Assessments

• Administer post-TABE assessment in ELA & Math after after 2 learning periods or after completing at least 4 units in relevant content area

• Administer San Diego Quick assessment for students with low literacy levels.

• Administer GED/HiSET for non-high school diploma candidates

• Implement Live Impact to track transitions data

Assessment Staff Support

• Assessment Coordinator
• Data & Systems Manager
• SIS and Contracts Compliance Manager

Data & Assessment team will provide the leadership team with longitudinal reports of student achievement data to drive data-driven decision making, specifically measuring program efficacy, and to track measurable outcomes as they pertain to schoolwide goals.
Maintain an organization-wide culture that integrates restorative justice, social-emotional learning, and other principles that encourage the holistic development of the student, with the intention of increasing social integration into their families.

Actions & Services

Goal #3

Pre-release, provide individual credit counseling and connections to post-release sites.

- A Reentry Transitions Navigator assists an individual with a transition plan to navigating services out of custody (including academic counseling)
- Pre-release students receive Community site forms and re-entry group information
- Teachers fill out a Google form for Community Referral, college transitions, or employment transitions
- Teachers/ Principals inform students of their credits and path to graduation
- Career Development Specialist conducts one on one meetings and pre-release case management.
- Maintain existing college and industry partnerships and develop new ones

Provide academic tutoring services while in custody.

- SpEd students receive one-on-one services
- All students have access to in-class tutoring services through their teachers
### SCHOOL CLIMATE

- Continue to implement Restorative Justice (RJ) curriculum and practices to promote a positive school climate and provide students with conflict resolution and anger management skills. Examples include:
  - Holding RJ circles in classes
  - Offering RJ as an elective curriculum for students with lower TABE scores
  - Offering integrated RJ classes within history and English site-based classes
  - RJ as a graduation requirement
  - Provide RJ training for teachers and management

- Provide intensive in-custody program pods with individual case management

- Provide re-entry planning through LA County Pitchess AJCC and the Transitions Navigator

- Continue to provide re-entry resources and programs to students: The JBJC Evidence-based curriculum, 7 Habits Curriculum

- Books with transitional plans, BOT Life Skills classes, BOT designated living area with additional transitional support (probation coaches), designated dorms with Life Skills curriculum, flyers/handouts provided for transitions, SoCal Transitions page on intranet

- Administer student surveys to obtain feedback/input on school safety, connectedness and motivation.
Community Partnerships

- Administer annual community partner survey
- Hold bi-annual meetings with partners and/or implement a system for regular updates
- Annually update MOU with all partners
