BECOME A RAW CORPORATE SPONSOR

Raw Art Works (RAW) is a youth arts organization, rooted in art therapy. Located in Lynn, RAW offers a variety of free programming for kids, ages 7 – 19. From painting, to printing, to film-making, RAW uses art to ask kids, “What’s really going on?” in their lives, giving them the tools to create in unexpected ways and envision new possibilities for their future. For three decades, RAW has passionately pursued its mission to ignite the desire to create and the confidence to succeed in our youth.

By becoming a Corporate Sponsor, you are helping ensure more kids are seen and heard. 91% of global consumers are likely to switch brands to one associated with a good cause, given comparable price and quality.
