How do we respond to the Coronavirus? How do we respond to all our challenges here at RAW? We remember that RAW allows us to say:

I AM........I CREATE........WE CONNECT

Raw Art Works staff and youth KNOW there is power in creativity, to help us through just about anything. We have learned that the arts allow you space to find solutions. Doodles, drawing and creating have been known to take us on adventures with our imagination.

The staff and kids were given the challenge to create images of diverse cultural ideas that could help you, our RAW Artist, and the community around us, as we all start to reframe the moments we are living in now.

We hope that our pages will give a few moments of fun and relaxing peace.

All art in this book is designed by RAW Staff and Youth.

RULES: have fun - color outside the lines - make mistakes - laugh - share - start with the cover and create your own ending.

WHEN YOU ARE DONE, CHOOSE YOUR FAVORITE, AND PLACE IT SOMEWHERE FOR YOU AND OTHERS TO ENJOY. YOUR CREATION CAN SERVE AS AN IMPORTANT REMINDER THAT WE ARE ALL CONNECTED

THROUGH OUR CREATIVITY

Let us know how it went for you by sending us an image or by tagging RAW on our social media:

ACT TWO

SCENE I. An old-fashioned House

Enter Hardcastle, followed by three or four awkward Servants.

Hardcastle. Well, I hope you're perfect in the table exercise. I have been teaching you these three days. You all know your posts and your places, and can show that you have been used to good company without ever stirring from home.

Omnès. Ay, ay.

Hardcastle. When company comes, you are not to pop out and stare, and then run in again, like frightened rabbits in a wagon.

Omnès. No, no.

Hardcastle. You, Diggory, whom I have taken from the barn, are to make a show at the side table; and you, Roger, whom I have advanced from the rough, are to place yourself behind my chair. But you're not to stand so, with your heads in your pockets. Take your hands from your pockets, Roger; and from your head, you blockhead, you. See how Diggory carries his hands. They're a little too stiff, indeed, but that's no great matter.
Welcome Spring!
