THE CHURCHILL BAR

Welcome

Welcome to The Churchill Bar & Terrace and our innovative, environmentally conscious, signature cocktail collection. We feel it is important to take small but effective steps towards a more sustainable lifestyle, and want to showcase and celebrate ways to do this through our delicious and unique new cocktail list.

Each signature cocktail is inspired by a prescient environmental cause, while making use of responsibly sourced ingredients and materials. Using these principles, we are delighted to introduce our new cocktail menu and hope you enjoy it.

Two of our signature cocktails include a donation to a dedicated charity.

AIR QUALITY

UP IN THE AIR

“Creativity is a gift. It does not come through if the air is cluttered.”

trees and flowers that provide a
habitat for wildlife.
