

ONTARIO **SCIENCE** CENTRE
RBC Innovators' Ball

Make a Donation in support of our Adopt-a-Class Program

In celebration of the 10th anniversary of the RBC Innovators' Ball taking place on November 7th, we invite companies and individuals to support the Ontario Science Centre's Adopt-a-Class Program. Funds raised through this annual event help open the doors to over 26,000 students each year, who would otherwise not be able to experience the benefits of a Science Centre visit.

Join us as an Adopt-a-Class donor to help eager and excited students to experience the joy and wonder of a Science Centre visit. A contribution of \$1,000 provides a classroom of 40 students with a visit. Your support keeps the Ontario Science Centre accessible and affordable to the scientific minds of tomorrow.
