## Welcome

Calling all art lovers, foodies, fitness buffs, entrepreneurs, friends, visitors, neighbors, and kids of all ages. Town Square Community Center has something for YOU.

This is going to be our most action-packed year yet, with programs and events every single week, bringing us together, helping us follow our passions and bringing Green Lake to a whole new level.

Opened in 2012 in the former, historic Green Lake County Courthouse building, Town Square, is a big force in a small town, powered by the passion of people who want to have a direct and dramatic impact on our community. Teaching Classes. Holding Events. Volunteering. Building New Spaces. And Providing Important Financial Support.

Today, Town Square is a bustling hub of activity. As a community-support driven project, Town Square is part of a 501(c)3 nonprofit organization, and receives no tax dollars to fund its buildings, programs or events. All donations directly support community center initiatives, and are tax-deductible.
