BIKESHARE COMES TO NORTHERN NEVADA
Partnership bringing LimeBike bikeshare to the Truckee Meadows region, NV
Launched on May 14, 2018 (1 year pilot)

The City of Reno, City of Sparks, Reno-Sparks Indian Colony, University of Nevada-Reno, and Washoe County have worked together with the Regional Transportation Commission of Washoe County and Lime (formerly LimeBike) to launch Nevada’s first dockless bikeshare program. This one year pilot will eventually include nearly 1000 LimeBike bicycles and is the first bikeshare to launch on a Native American reservation. Bikes can be borrowed anywhere within the Reno-Sparks service area via the LimeBike app. Rides cost $1 per half hour for standard users, and $50 per half hour for students, seniors, and low-income individuals. This collaborative effort aims to provide the Truckee Meadows region with a healthy and sustainable alternative for mobility.
