

2017 Florida Gold Coast – Circuit & High Point Awards

A great show ended in the sunshine & warm temperatures! Nearly 11,000 total entries & more than 8300 AQHA entries up more than 450 AQHA entries from last year. We appreciate everyone's support - it was an amazing way to finish the year. We know that many year-end titles were unofficially won here while in Tampa. Congrats to everyone that won, placed, showed or just smiled & laughed!
