

Positional Awareness & Formational Awareness: **Beyond Sandie's Big 5** **with Allan Hurst**

Join Redwood Rainbows as we learn to dance with different callers and with different sequences and approaches to teaching.

Sandie Bryant has long maintained that mastering just five calls determines what makes a good dancer at any level. Those five calls are Hinge, Trade, Cast, Circulate, and Run.

Please join us as we revisit those calls with a special emphasis on Positional and Formational Awareness. We will cover Advanced, Plus, and SSD.

Let us know you're coming!
