“Lessons to be learned from Noah’s Ark”

ONE: Don’t miss the boat.

TWO: Remember that we are all in the same boat.

THREE: Plan ahead! It wasn’t raining when Noah built the ark.

FOUR: Stay fit. When you are 600 years old someone may ask you to do something really big.

FIVE: Don’t listen to critics. Continue doing the job which needs to be done.

SIX: Build your future on high ground.

SEVEN: For safety’s sake, travel in pairs.

EIGHT: Speed isn’t everything. The snails were on board with the cheetahs.

NINE: When you are stressed, float awhile.

TEN: Remember – the Ark was built by amateurs - the Titanic by professionals.

ELEVEN: No matter the storm, when you are with God there is always a rainbow waiting.
