The Upstate NY Synod has two Global Companions:

- The Evangelical Lutheran Church in Zimbabwe (ELCZ)
- The Evangelical Lutheran Church in Zambia (ELCZa)

The purpose of the UNYS Global Ministry Team is to provide congregations and synod personnel with resources and information, and to connect congregations and members to international opportunities.

The current foci or the team are:

- Help congregations understand and practice Accompaniment for local and global ministry especially using the Accompaniment Values Tracker.
- Facilitate communication and exchanges between the UNYS and our Global Companions.
- Create relationships called twinnings, between UNYS congregations and Lutheran parishes in Zimbabwe.
